Living Together

Warm Up!!!

Can you live alone?

Why do we need others to live?

Vocabulary

-  Family
-  Family members
-  Neighborhood
-  Neighbors
-  Neighborhood helpers

Lesson 1: My family

? What is a family?

? Why are the people in this picture smiling?

? Who do you think are the people in this picture?

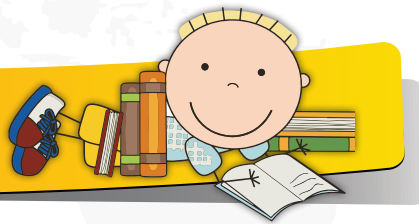

Hello, my name is Salma. I am 6 years old. I live in The Hashemite Kingdom of Jordan. I live with my father, my mother, my younger brother Ahmad and my elder sister Layla.

I love my family. We are a happy family and we always help and take care of each other.

Read to learn

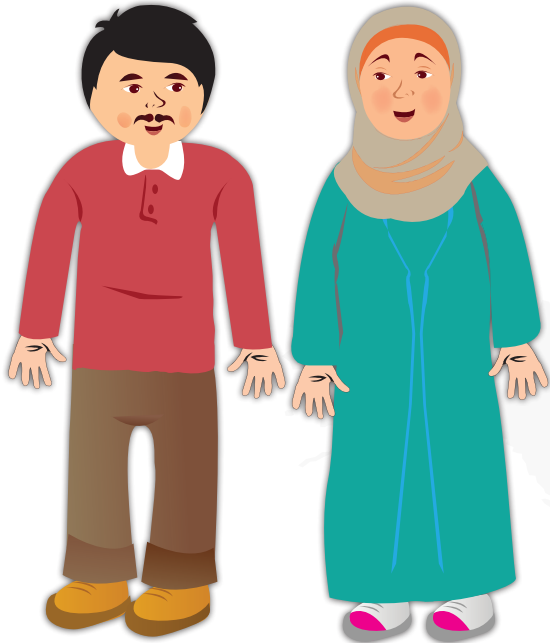

A Family is a group of people which consists of the father, the mother and their children living in the same house.

? Who are the members of this family ?

My family album

These are my parents: my father and my mother. My parents take good care of me.

Here is my younger brother, Ahmad.

Here is my elder sister, Layla.

This is the house where we live.

I love my family because they always help me if I need anything, and they work hard in order to make me happy.

Think and discuss

? Why is family important?

? Tell your friends about your family members.

Lesson 2: We all belong to families

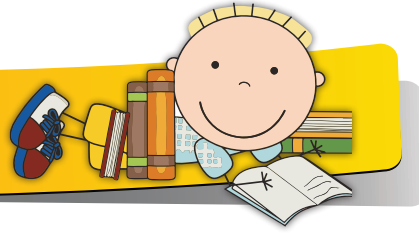

? How are families different?

Look at the picture of the family below.

- How many family members are there in the picture?
- How many sisters? How many brothers?
- What is the difference between your family and the family in the picture?

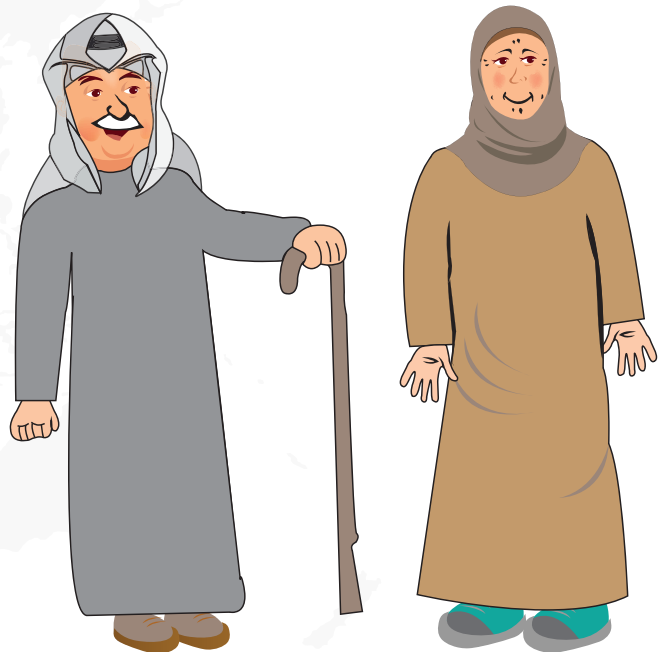

Read to learn

Families differ from one another. Some are small like the families which consist only of the father, the mother and their children.

Families differ in the number of brothers and sisters.

Sometimes a family includes other people like a grandmother and a grandfather.

 What do you call your grandparents?

An aunt and an uncle.

These children are cousins.

A family might consist of two people or more.... .

 How are families alike?

Families are similar. They keep growing and changing over time.

Family members often live together, help and take care of each other. They spend lots of time together and have fun, too!

Families do many different things together.

Sometimes a father reads a story to his children.

Sometimes a family play a game together.

 How do you spend your time with your family?

Think and discuss

 In what ways are families different?

 In what ways are families alike?

Lesson 3: My neighborhood

? What do you see when you walk around your house?

Out of my door and down the street there is a place where I buy food to eat. It's a supermarket.

Near my house there is a place where I go to pray. It's a mosque.

While driving on the highway, there is a place to fill your car with gas. It is a gas station.

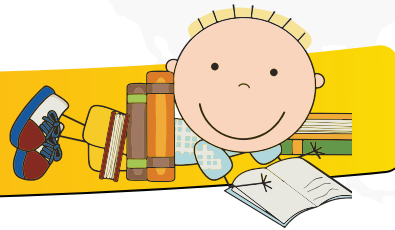

In my neighborhood, there is a place where I play football with my friends. It is a park.

Near the corner, there is a place where I buy bread from. It is a bakery.

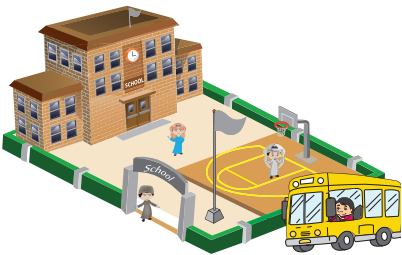

Read to learn

The neighborhood is the area around the place where we live. There are houses, buildings and other places.

 Can you name the places in the pictures?

Neighbors

Omar and Mr. Fahed are neighbors. Omar helps Mr. Fahed to water his garden.

Mr. Fahed helps Omar, too. Every Saturday Mr. Fahed teaches Omar math.

Think and discuss

 What makes your neighborhood a safe place?

Lesson 4: People in my neighborhood

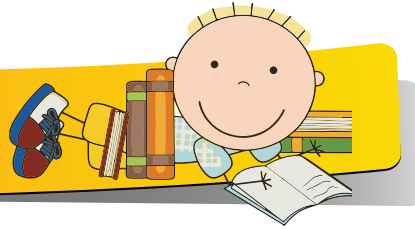

? Who do we see when we walk around our neighborhood?

We see our friends, and play with them at the park, then we go back home.

We see a policeman who rushes to help if there is a need.

Read to learn

People who work in the neighborhood do many things which we need in our life. They could be my father, brother, uncle or a friend. They all work together to make the neighbors happier and the neighborhood more beautiful.

There are garbage collectors. They empty the garbage into their truck, then they take it to the garbage dump.

There is a bus driver who drives all around the neighborhood. when he finishes, he goes back to the bus station.

? Who are neighborhood helpers?

A fireman can help you if there is fire in your house.

A policeman can help you if you are lost.

All the above are called neighborhood helpers. They help you when you need help.

Firefighters, police officers and paramedics help keep the community members safe.

Doctors, nurses and dentists help keep people healthy.

Drivers transport people from one place to another.

Think and discuss

YES! NO?

-  Name some neighborhood helpers and tell what they do.
